

Energy for India
Cairn Energy India Pty Limited
Expression of Interest for provision of blasting and painting
services- Ravva Block

Cairn Energy India Pty Ltd (CEIL) is the Operator of the Ravva offshore block located the east coast of India. CEIL is planning to engage a suitable contractor for blasting and painting of the RD and RH platforms. The platforms are located in a water depth of 10 to 15 metres. The total area to be painted is approximately 15000 m². The job is expected to be carried out between 15th of December 2008 and 31st March 2009.

The work scope includes the provision of a suitable accommodation vessel, scaffolding and supply of all materials. As an option, subject to availability, CEIL shall also consider providing a suitable accommodation vessel.

Interested contractors are requested to submit the following documents within 7 days of publication of this advertisement.

- Lists of the similar jobs successfully executed in the last three years and projects currently under execution.
- Details of the accommodation vessel and availability during December 08.
- Details on policies, procedures and quality assurance practices currently in place for the execution of similar works.
- Health, Safety and Environment policies, procedures and statistics covering the last 3 years.
- Corporate financial details

The envelope should be superscripted with “Blasting and Painting –Ravva and be addressed to:
