EXPRESSION OF INTEREST (EOI) FOR PARTNERSHIP OPPORTUNITY FOR INTEGRATED SOLUTIONS IN EXPLORATION & DEVELOPMENT OF VOGL OPERATED ACREAGES

Vedanta Group has $30bn revenue and $10bn profit and further plans to invest $20bn in next 4-5 years for the expansion of brownfield capacity and setting up green field capacity for oil and gas, renewable energy, display glass, semiconductor, mining and smelting.

Vedanta Oil and Gas Limited is India's leading private oil and gas producer having interest in 44 blocks in the country. The Company has a vision to achieve 50% of India's crude production and contribute to the nation's energy security. Vedanta Oil & Gas Limited operates a diversified portfolio of onshore and offshore oil and gas assets across India. Oil & Gas business of Vedanta Limited stands demerged with effect from 1st May 2026. Participating Interest of Vedanta Limited (VEDL) in the blocks, including all assets, contracts, permits, licenses, rights, liabilities and obligations relating to the oil & gas business will be transferred to a new entity Vedanta Oil & Gas Limited. All contracts will be issued accordingly. Vedanta Oil & Gas is India's leading private oil & gas exploration and production company.

Vedanta Oil and Gas Limited (VOGL) seeks strategic partners with proven capabilities to deliver integrated, end-to-end solutions across the entire upstream value chain for its operated exploration and development acreages. The scope encompasses but is not limited to leveraging existing subsurface datasets, managing the new data acquisition if deemed required, generating and mature exploration prospects, de-risk drilling opportunities, optimize field development planning, drive sustainable hydrocarbon production, reserves growth, and long-term value creation.

Interested companies with a successful track record in executing similar projects are invited to participate in the pre-qualification process for future International Competitive Bidding (ICB) opportunities. The opportunity covers VOGL-operated onshore and offshore acreages across Barmer & Cambay Basin, Northeast, Offshore asset in East and West Coasts, together with PSC areas including RJ-ON-90/1 and the PKGM-1 Ravva Block.

Indicative Asset Portfolio and Opportunities

Opportunities may arise across exploration, appraisal & development in assets operated by Vedanta Oil & Gas.

1. Onshore asset – Barmer, Cambay, North East OALP & DSF Blocks and RJ-ON-90/1 (PSC Block)
2. Offshore asset – East and West Coast OALP & DSF Blocks, PKGM-1 (Ravva PSC Block)

Scope of Expertise Sought

Partners should have capabilities of the following areas:

- Seismic data acquisition for onshore and/or offshore including transition zone environments
- Seismic data processing and interpretation
- Geological, geophysical and petrophysical studies
- Basin and prospect evaluation
- Reservoir characterisation and modelling
- Integrated subsurface studies and well planning with geo-mechanics and pore-pressure studies
- PVT Analysis, geochemical analysis, core and coring services
- Resource and reserve assessment
- Field development planning
- Production optimisation and recovery enhancement
- Application of advanced digital, AI/ML and geoscience technologies

Pre-qualification Criteria

Interested parties should meet the following minimum requirements:

- Successful completion of at least three (03) projects of similar nature during the last10 years
- Demonstrated capability/ experience in executing integrated subsurface studies for exploration, appraisal and development projects
- Availability of qualified manpower, hardware, software and technical resources required for execution of the scope
- Experience in seismic data acquisition and processing for both onshore and/or offshore including transition zone environments

- Strong HSE and quality management practices

The interested Parties should evince interest to participate in the Expression of Interest by clicking on the “Evince Interest” link against the corresponding EoI listing on the company website i.e., **http://www.vedantaoilandgas.com** and submit their contact details online. Further to this, interested Parties would be invited to submit their response via Smart Source (company’s e-Sourcing platform).

The interested Parties should “Evince interest” to participate in **EoI within seven (07) days** of publication of Expression of Interest
