Vedanta Ltd. is the world's 6th largest diversified natural resources conglomerate with business operations in India, South Africa, Namibia and Australia. It is a leading producer of Oil & Gas, Zinc, Lead, Silver, Copper, Iron Ore, Steel, Aluminium & Power. Vedanta contributes 1% towards India's GDP, as per IFC.

We are investing \$9 Bn in capital projects over the next 2 – 3 years to double our revenues from current levels of \$15 Bn.

Cairn Oil & Gas, Vedanta Ltd., is India's largest private oil and gas exploration and production company having current interest in 58 blocks and accounting for more than a quarter of India's domestic crude oil production and a vision to produce 50% of India's crude production. The company on behalf of itself and Joint Venture (JV) partner(s) invites Expression Of Interest (EOI) from global oil and gas service / EPC companies and/or consortiums with Operation and Maintenance (O&M) capabilities to express their interest to participate in a prequalification under International Competitive Bidding (ICB) process for comprehensive O & M services for Mangala Processing Terminal (MPT) in Barmer Rajasthan, India.

As part of this scope, vendor's responsibility would include provision of manpower, procurement and handling of spares, chemicals and consumables, support services including logistics and facility management, managing OEM contracts, performing overhaul activities, equipment health checks, ensuring regulatory compliances and maintaining the integrity and quality of linear, static and rotating equipment including piping and pipelines, managing interfaces, HSE and fire services and emergency response etc.

Cairn Oil and Gas has recognized O&M excellence as the key focus area for its upstream oil assets, and is committed to forge long term partnerships with capable O&M service providers with an aim to achieve its strategic objectives and prepare for future industry challenges like optimizing costs, increasing efficiency and driving innovation

**Key Qualification criteria:**

- a) PACKAGE 1 Only: The bidder shall have total experience of minimum 24 months (in preceding 7 years) from the date of technical bid opening, in operations and maintenance of upstream oil processing facilities but in one O&M contract of at least 3 months duration out of the total experience of 24 months, the liquid handling capacity should be of more than 30,000 BLPD
- b) PACKAGE 2 Only: The bidder shall have total experience of minimum 24 months (in preceding 7 years) from the date of technical bid opening, in operations and maintenance of upstream oil processing facilities but in one O&M contract of at least 3 months duration out of the total experience of 24 months, the liquid handling capacity should be of more than 15,000 BLPD
- c) Turnover in each of the immediately preceding two financial years should be equal to or more than the estimated average annual contract value (for respective package)
- d) Positive net worth in each of the immediately preceding two financial years
- e) Liquidity ratio shall not be less than 1.00 in each of the preceding Two (02) financial years

Additional points to be considered for evaluation of financial performance:

- I. Normally standalone financials of the bidding entity only will be considered. However, consolidated financials at the bidding entity level, if available, can also be submitted. Parent company or Affiliate's financials can be submitted and considered, subject to submission of Parent/ Affiliate company guarantee. This should be clearly mentioned in the response.
- II. Where the bidding entity is unable to meet the Financial Evaluation Criteria, Parent/Holding Company Audited Financials can be considered, subject to:
  - a. Submission of Financial guarantee in the form of 10% Bank guarantee of contract value.
  - b. Commitment Letter from Parent/Company to provide financial support to the bidding entity.
- III. In case of consortium, bidder is required to provide Memorandum of Understanding (MoU) executed by the consortium partner. The MoU should indicate the scope of work to be performed by the respective consortium member expressed as a percentage of Contract value. The MoU should also indicate the leader of consortium. Either leader meets the financial criteria or each consortium partner should themselves individually meet the financial evaluation criteria namely, turn over, net worth and liquidity in proportion to the percentage of work to be performed by them. The Performance Bank Guarantee (PBG) will have to be submitted by individual Consortium partners in the ratio of work being performed unless the leader takes responsibility of the complete consortium in which case, Leader can submit PBG for required value.
- IV. Evaluation will be done only on the basis of the published annual reports / audited financials containing Auditor's report, Balance sheet, Profit & Loss a/c and Notes to Accounts.
- V. In case of unaudited statements (if there are no audit requirements for auditing of financials as per the local law), the financials shall be accompanied by a certificate from a Certified Accountant. Certificate should also mention the fact that there is no requirement of audit of the financials as per the local law.
- VI. All qualifications and exceptions brought out in Auditor's report and Notes to Accounts would be factored in while undertaking financial evaluation
- VII. Latest audited financial statement should not be older than 12 months from the date of EOI.

The interested contractors should evince interest to participate in the Expression of Interest by clicking on the "**Evince Interest**" link for the corresponding EOI listing on the Cairn website i.e. <http://www.cairnindia.com> and submit their contact details to [Shivam.Batra@cairnindia.com](mailto:Shivam.Batra@cairnindia.com) within Seven (07) days of publication of this EOI.
