

SALE OF NATURAL GAS FROM HAZARIGAON BLOCK, ASSAM

EXPRESSION OF INTEREST

Vedanta Oil and Gas Limited (VOGL), one of India's leading private upstream oil and gas companies, is committed to investing US\$ 5 billion in its brownfield assets, with a vision to contribute towards meeting 50% of India's domestic energy needs. VOGL has a pan-India presence with 45 blocks across onshore, offshore and deepwater assets.

VOGL produces **1,000 boepd (~170,000 scmd) of natural gas from the Hazarigaon Block in Assam**, and invites Expressions of Interest (EOI) from interested entities *for the purchase of natural gas*:

- **Volume** – 1,000 boepd
- **Delivery** – ex Hazarigaon Terminal, Golaghat, Assam
- **Term** – 6 to 12 months, starting November-2026

Interested entities are requested to submit their EOI by 31st October 2026.

The interested parties are requested to send across an email to ng.marketing@cairnindia.com expressing their interest in potential offtake of natural gas.

In case of any queries, please contact ng.marketing@cairnindia.com. For more information on Vedanta Oil and Gas Limited, bidders may visit www.vedantaoilandgas.com.
