EXPRESSION OF INTEREST FOR SUPPLY OF GAS LIFT COMPRESSOR PACKAGE AND HIGH PRESSURE / HIGH CAPACITY WATER INJECTION PUMP(S) PACKAGE

Cairn Energy India Pty Ltd. (CEIL) is the Operator of the Ravva oil and gas field located in the east coast of India. CEIL is planning to install additional facilities as part of its lifecycle requirement project. CEIL seeks Expression of Interest from suitable parties for supply of a Gas Lift Compressor Package and a Water Injection Pumps Package as per the following details:

Gas Lift Compressor Package

A reciprocating natural gas compressor with a gas engine drive to handle a gas flow rate of around 16,700scm/hr and to boost the pressure from 9.0bar to 82.0bar with inter stage air coolers, scrubbers and control system as a part of a proposed gas lift capacity augmentation.

Water Injection Pumps Package

Water Injection Pump(s) to handle 1,000scm/hr to boost the pressure from 5.0bar to 120.0bar with a suitable gas turbine/gas engine as drive(s) as part of a proposed water injection upgrade project.

Interested packagers/manufacturers having proven experience should submit the following documents separately for the above mentioned packages within 10 days of publication of this advertisement to the address given below.

1. Company profile and relevant experience in the supply of similar types of equipment package
2. Details of manufacturing facilities and equipment owned
3. Details of quality assurance & control system of manufacturing and testing
4. Details on HSE systems
