

CAIRN ENERGY INDIA PTY LIMITED

GLOBAL EXPRESSION OF INTEREST (EOI) FOR PROVISION OF DIVING SERVICES

Cairn Energy India Pty Ltd (CEIL) is the Operator of Offshore Oil & Gas field "Ravva" located in East coast of India, in Andhra Pradesh nearest Sea Port Kakinada on behalf of Ravva Joint venture consisting of ONGC, Videocon Petroleum Ltd (VPL), Ravva Oil Singapore (ROS) and Cairn Energy India Pty Ltd (CEIL).

CEIL intends to avail diving services from reputed diving contractors for carrying out various Subsea and surface activities in the offshore to ensure the offshore assets are maintained in operational standards and as per regulatory requirements.

Diving services shall encompass the Inspection, Maintenance and Repair of Platforms, Pipelines, Risers, CALM buoy and associated subsea structures and equipment.

Platform Inspection for Recertification, Installation of Boat landings, Installation of Marine Growth Preventers, SPM annual Survey etc will be the main activities that are likely to be undertaken during First Year of Contract.

All diving and associated procedures and equipment shall be minimally, in accordance with the IMCA/IACS guidelines

Dive Team and Equipment:

The offshore installations in the Ravva Field (Platforms Jackets, CALM Buoy, Underwater Pipelines Etc), especially the Oil Offloading system is maintained by a diving team. This is required to ensure the availability of the critical equipment through which the entire crude produced in the field is evacuated. Apart from routine maintenance, the dive team carries out minor subsea pipe line intervention as part of the dive team scope. For this purpose a complete set of diving equipment and diving personnel are being mobilised during the fair weather window (Oct – Apr) for the maintenance/ inspections.

Company is seeking IMCA Certified Contractors through EOI process.

CEIL on behalf of its joint venture partners invites reputed Contractors with demonstrated HSE performance to express their interest to participate in pre qualification as bidders and to participate in competitive bidding process. In view of the nature of the scope, only those Companies possessing the requisite and proven record of performance in executing at least one similar job of value exceeding 2.5 Mn Dollars in last three years should respond to this notice.

In addition to the above requested documentation, bidders shall also submit credentials to support the specific qualification criteria for each package.

Companies are requested, as a minimum, to submit the following documents and details for prequalification:
