

CAIRN INDIA LIMITED

GLOBAL EXPRESSION OF INTEREST (EOI) FOR THE PROVISION OF FLUID ANALYSIS AND SERVICES FOR RJ-ON 90/1 BLOCK

Introduction

Cairn India Ltd. ("CIL") as an Operator of the Rajasthan onshore block on behalf of itself and its Joint Venture partners, Cairn Energy Hydrocarbons Limited and Oil and Natural Gas Corporation (ONGC) is carrying out extensive sampling program in the block and several bottomhole and surface samples are planned to be collected during the development phase in RJ-ON 90/1 Block.

The Company seeks an expression of interest under international competitive bidding (ICB) procedures from suitably experienced Fluid analysis Contractors who wish to receive Tender document.

Services required

The scope of work for this EOI comprises of the following:

1. PVT analysis required to characterize different fluids sampled during the development phase
2. Transfer the samples to Contractor's own sample bottles at the PVT lab for long term storage

Contractors who have a minimum of 5 years' experience in carrying out both above mentioned services and have proven record of performance in executing similar jobs of value exceeding USD 500,000 will be considered.

Specifics

Only those Contractors who can comply with all of the following and can, by their submission, demonstrate a successful track record, listing previous projects, current Services projects in progress, clients, and client key contacts who may be approached, in each of the areas below should respond to this Notice. The Contractor must submit details for the following:

- Organizational structure, list of manpower with CVs of key personnel, equipment details and certification required to carry out the PVT analysis, support agencies and other facilities & resources.
- Details of completion of similar type of jobs in the last five years
- A demonstrable capability to commence work to meet the schedule of CIL. The Contractor's experience in completing the work on schedule shall be clearly stated.
- Have an appropriate and comprehensive Health, Safety and Environmental management system in place which promotes, aligns with and upholds the commitments of CIL and the Contractor. Details of their certification shall be submitted.

CAIRN INDIA LIMITED

- Quality assurance & Quality control practices currently in place for the execution of similar work
- Audited financial statements for the last three years

Interested Contractors who can fulfill the above scope of work must submit their response including the details and references stated above, in writing and by email no later than ten (10) days from the date of this publication. The envelope shall be superscripted with "Provision of Fluid Analysis and Services: RJ-ON 90/1 – Prequalification 2013" and shall be addressed to:
