

**CAIRN ENERGY INDIA PTY LIMITED**

(Incorporated in New South Wales, Australia – ACN 002 066 784)

**GLOBAL EXPRESSION OF INTEREST FOR PROVISION FOR  
E-LINE EQUIPMENT & SERVICES**

Cairn Energy India Pty Ltd. (“CEIL”) is the Operator of the Ravva Offshore block on the East coast of India on behalf of the Joint venture partners Cairn, ONGC, Ravva Oil PTE Ltd & Videocon Petroleum Ltd. CEIL is currently carrying out field development/maintenance activities in these two assets.

CEIL seeks expression of interest (EOI) under International Competitive Bidding Process (“ICB”) from suitably experienced contractors offering E-line equipment and services (both Indian and International) capable of carrying out this work in India, which broadly encompasses the following:

- Providing equipment and services for E-line operations such as Production logging, Saturation surveys, thru tubing perforations, thru tubing bridge plug setting, tubing caliper, tractor services etc
- Providing suitable manpower to carry out such operations

With this EOI, CEIL intends to short list names of experienced E-line contractors to invite for the tender of E-line services.

This work must be carried out in India at the Ravva Offshore block which comprise a total of eight (8) unmanned offshore platforms. The company shall have proven experience in similar types of E-line activities and shall have sufficient personnel, equipment, management, effective QA/QC procedure and organizational processes to conduct the works. E-line services are required for upto 56 wells over a period of 3 years. The equipment must be suitable for offshore service. The company shall be able to demonstrate full understanding of Indian and internationally accepted Health, Safety and Environmental practices, procedures and policies. Only companies who can comply with these requirements and who can demonstrate a successful track record, listing projects, clients and client contacts which may be approached, should respond to this notice.

Companies are requested, as a minimum, to submit the following documents and details with their expression of interest:

1. Previous experience of providing offshore E-line equipment and services worldwide including in India. Details of work conducted in similar environment.
2. Capability to provide technical and engineering support for E-line services.
3. Demonstrable capability to mobilize, commission and deliver the proposed equipment and services and commence work to meet CEIL’s schedule.
4. Suitability of the proposed equipments and services in terms of the technical specification and makes of the various equipment required.
5. Repair, maintenance and Infield support of Equipment and products after commencement of work.

6. Organizational set-up with details of management, staff, and business process support to carry out the proposed activities and experience of service personnel. Design and manufacturing capability as per API / ISO specifications
7. Existing documented Operations Maintenance & preventive maintenance systems and procedures.
8. Quality / HSE Management and Capability to comply with safety norms as per the guidelines of DGMS (Directorate General of Mines Safety) and Cairn Safety Standards.
9. The Contractor must demonstrate that they have sufficient financial standing to commence and continue an operation of this magnitude.
10. Audited financial statements for the last three years

Interested Contractors who can fulfil all of the Specifics listed above must submit their response including the details and references stated above, in writing and by e-mail as attached PDF File and via courier not later than 15 (Fifteen) days from the date of this publication. The envelope shall be super scribed with “**PROVISION FOR E-LINE EQUIPMENT & SERVICES**” and shall be addressed to:
