

**GLOBAL EXPRESSION OF INTEREST / PRE-QUALIFICATION FOR PROVISION  
OF VERTICAL CUTTINGS DRYER PACKAGE (VCD) & ASSOCIATED  
SERVICES:BLOCK: RJ-ON-90/1**

Cairn Energy India Pty Ltd (CEIL), as an operator on behalf of joint venture partners Cairn India & ONGC in contract area RJ-ON-90/1 in the state of Rajasthan, India is carrying out drilling in the block RJ-ON-90/1. Drilling activity is scheduled to commence in Q2/2012.

As an environmentally responsible concern, CEIL, intends using a Vertical Cuttings Dryer Package in the company's onshore drilling operations in Rajasthan to reduce drilled cuttings and fluids waste disposal and recover drilling fluids for re-use.

CEIL seeks expression of interest (EOI) from suitably experienced suppliers for Vertical Cuttings Dryer Package for the work which broadly encompasses the following:

The provision of a Vertical Cuttings Dryer (VCD) and personnel to man the unit, and the design of a system to capture and transport cuttings and drilling wastes from the drilling rig's processing shale shakers to feed the VCD. Proposed package design will have provision to include a belt-driven Decanting Centrifuge as part of the VCD package.

The company shall have proven experience in similar supplies, and shall have sufficient personnel, equipment, management and organisational processes to conduct the works. The company shall be able to demonstrate full understanding of working in remote and environmentally sensitive areas such as Rajasthan and of internationally accepted Health, Safety and Environmental practices, procedures and policies. Only companies who can comply with these requirements and demonstrate a successful track record, listing projects, clients and client contacts that may be approached, should respond to this notice.

Interested companies are requested to submit the following documents and details:

Lists of similar work successfully executed in the last three years and projects currently under execution.
Details of similar work conducted in Indian sub continent.
Personnel details including bio-data of key personnel.
Equipment listings and availability details.
Company and management structure together with logistic support details.
Lists of policies, procedures and quality assurance practices currently in place for the execution of similar work.
Health, Safety and Environment policies, procedures and statistics covering the last 4 years.
Audited Corporate financial details for the preceding 3 Financial Years.
Details of legal / court rulings against your company, if any in last 5 years

Interested Suppliers who can fulfil all of the specifics listed above should submit their response including the details and references stated above, within 10 days of publication of this notice. The envelope shall be superscribed “Expression of Interest for Vertical Cuttings Dryer Package” and shall be addressed to:
