

CAIRN ENERGY INDIA PTY LIMITED

## **GLOBAL EXPRESSION OF INTEREST (EOI) FOR UP-GRADING EXISTING 3D VISUALIZATION CENTRE**

Cairn Energy India Pty Limited (“CEIL”) is an independent Exploration and Production company, operating Oil & Gas Blocks in several Contract Areas located in various parts of India. CEIL intends to upgrade its 3D visualization centre located at Vipul Plaza, Gurgaon India to a 3D collaboration centre to support G&G, drilling, production and project management events. The expectation is that the new centre will be capable of supporting 24x7 monitoring of drilling operations, collaborative subsurface interpretation using Geosciences applications, field development and subsurface asset management.

CEIL invites reputed and experienced Contractors (Indian and International both) with demonstrated HSE performance to express their interest to participate in pre qualification as bidders and to participate in International Competitive Bidding process (“ICB”). In view of the nature of the scope, only those Companies possessing the requisite and proven record of performance in executing at least **Two (2)** similar jobs in last **Five (5)** years should respond to this notice.

In addition to the above requested documentation, bidders shall also submit credentials to support the specific qualification criteria for each package.

Companies are requested, as a minimum, to submit the following documents and details for prequalification:

- Letter of interest clearly indicating the Project reference;
- Experience in designing, revamping and setting-up 3D visualization & collaboration facilities for E&P applications in India and abroad;
- Details of completion of similar type of projects in the last five years under headings:
  - a) Brief scope of work
  - b) Value of work in USD
  - c) Contractual Duration
  - d) Actual completion of Project
  - e) Clients name
  - f) Contact details of the Client ( CEIL may approach the client directly for the feedback)
  - g) Safety Certification / Inspection of plant and machineries
  - h) HSE statistics, LTI graph etc.
- List of all jobs under execution with the value of the Job and percentage completion( With particular emphasis on project of similar magnitude carried out in Oil and Gas Sector);
- Details of proposed local technical (visualisation equipment hardware) support centre;
- Typical Project Planning and Execution methodology;
- Sufficient financial and manpower resources to supply the necessary hardware and equipment (with insurance included) for establishing a working 3D visualization and collaboration facility, including
  - Facility design, Project Management & Execution
  - Installation, maintenance and integration of multi-channel active stereo display system hardware with E&P software applications.
  - Design of the facility infrastructure (including electrical, AC, furniture, AV & VC facilities)
- HSE policy and implementation procedures in line with internationally accepted practices with statistics for last four years;
- Quality assurance & Quality control practices currently in place for the execution of similar work;
- Company's financial performance documents (Audited Balance sheets and Profit and Loss statements etc.) for last 3 years.

CEIL request interested contractors to submit their Expression of Interest along the requested details within ten (10) days of publication of this EOI by email as attached PDF File and via courier to:
