EXPRESSION OF INTEREST (EOI) UNDER INTERNATIONAL COMPETITIVE BIDDING FOR PROVISION OF INTEGRATED END TO END EXPLORATION, APPRAISAL AND WORKOVER SERVICES IN NORTHEAST INDIA

Vedanta Oil & Gas Ltd. has $30bn revenue and $10bn profit and further plans to invest $20bn in next 4-5 years for the expansion of brownfield capacity and setting up greenfield capacity for oil and gas, renewable energy, display glass, mining and metals. Vedanta is one of the leading players in the market.

Vedanta Oil and Gas Limited is India's leading private oil and gas producer having interest in 44 blocks in the country. The Company has a vision to achieve 50% of India's crude production and contribute to the nation's energy security. Oil & Gas business of Vedanta Limited stands demerged with effect from 1st May 2026. Participating Interest of Vedanta Limited (VEDL) in the blocks, including all assets, contracts, permits, licenses, rights, liabilities and obligations relating to the oil & gas business will be transferred to a new entity Vedanta Oil & Gas Limited. All contracts will be issued accordingly. Vedanta Oil & Gas is India's leading private oil & gas exploration and production company.

Built on Cairn's three decades of expertise in India's upstream sector, the company is well-positioned for its next phase of growth as a pure-play, independent operator—anchored by a sharper strategic focus, enhanced agility, and a clear ambition to unlock the full potential of the country's hydrocarbon resources. With a solid legacy and a renewed focus on growth, the Vedanta Oil & Gas, Cairn remains committed to strengthening India's energy security by accelerating domestic oil and gas production.

Operating under the trusted Cairn brand, Vedanta Oil & Gas brings an enhanced strategic alignment to its expansive and diversified asset portfolio. With a high-quality and growing reserves base, an expanding natural gas portfolio, and a balanced mix of conventional and unconventional assets, the company has set a clear growth trajectory for near term and long-term business plan — reinforcing its role as a cornerstone of India's domestic energy production. Committed to Net Zero Carbon, Vedanta Oil & Gas will continue to advance responsible energy development, creating long-term value for the nation, shareholders, and communities.

Vedanta Oil and Gas Limited on behalf of itself invites interested contractors with proven capabilities and demonstrated performance in similar requirement to express their interest to participate in the International Competitive Bidding (ICB) process for the provision of integrated end to end exploration, appraisal and workover services in North East India.
